Season 1933 - 1934

The Long-Bell Lumber Company

LONGVIEW, WASHINGTON, U. S. A.

FORESTRY DEPARTMENT
★ DEC 13 1933 ★
U. S. DEPT. OF AGRICULTURE

We offer the following tree seeds, certified as to species and origin, collected by our foresters from selected forests of the finest timber types. We indicate the sources with letters A - E - I - O - U - Y. Also the states in which seed collections are being made in 1933. The elevations indicated are reliably indicative of average annual frost-free period.

PRICE PER KILOGRAM, POSTPAID

Our prices are based upon quantities of one kilogram or more of each species. For smaller lots add 25 per cent. Goods will be packed in tins or sacks as desired. Customs entry and duty if any must be buyer's responsibility.

The Long-Bell Lumber Company

This price list is sent to you because it has been requested, or because we have supplied tree seeds to you in the past.

In case it should have gone to some colleague or other officer of your organization please pass it along, as we have no other way of reaching the right man.

Thank you.

Forester.

1975
